Convention discussion – cake gallery registration, still a need for volunteers, and first timers don't forget to please attend orientation. General membership meeting being held differently this year. ICES bylaw changes will be voted on Thursday night at the Town Hall meeting. Proxies are available and don't forget to give them to someone, Millie or Marsha are both going to the convention and will be glad to take your proxies. Grace Jones has put a copy together of the new and old bylaws. Betty Lou has expressed concern over a bylaw change concerning the Executive committee. See Millie Green to discuss this bylaw.
